Hi!

This is Frances from PSICOMP. First off, I'd like to thank you for helping out as a judge/mentor for this year's competition. We had a record-breaking number of applications, so choosing the top three ventures was an extremely tough choice for our final round judges. The first place team was rewarded \$15,000, the second place team got \$10,000 and the third place team received \$5,000.

Here is a link to the results of the final round:

If you have any questions, comments, or suggestions for the PSICOMP, please do not hesitate to reach out! :)

Again, we were so happy to have you as a judge this year. Thank you for your contributions!

Best,
Frances
