Dear Fletcher, Kushaan, Alice and Monica F.,

Thank you very much again for your contribution **this weekend at Startup Weekend Social Impact at ISL on April 22-24!**

Your insights, presence, wisdom, and time this weekend with our participants and organizers truly made this weekend the place to grow, learn, and build. We have heard how valuable your guidance was from many teams! Our event will not be the same without you being there, so thank you again for being part of this and helping us build an entrepreneurial ecosystem in DC.

Please do stay in touch!

We will be sharing updates about the winners and upcoming Startup Weekend events on our social media. For those who missed the Demo Day, the winners were **Ignite Mind (3rd Prize)**, **Tawk (2nd Prize)** and **FitPet (1st Prize)**. You may also find some photos and videos from the weekend too - Twitter and Facebook. We plan to host two more events in July and in November 2016.

If you have any questions or suggestions about the program, please do not hesitate to reach us. We are always looking for ways to improve the Startup Weekend experience to serve our community.

Thank you again for your contribution! We hope you will consider joining us again!

Attached is a quick visual breakdown of our fun weekend to remember.

Have a great day!

Cheers,
Monica

P.S. Our partner Breather shared a gift for you to access their space as they open on May 12th in Washington DC. Use "**THEDISTRICT**" to get 6 FREE HOURS which will be valid from 5/12/2016 to 6/20/2016.
